

BUILT-IN WIRELESS CRANE SCALES

- Wireless zero-setting, weighing, subtracting tare value, accumulation
- Remote reading, wireless transmission distance up to 100 meters
- Overload alarm
- Automatic power off
- Unit: lb, kg

remote controller
(included)

IP65
WATERPROOF

8205-3T

Unit: mm

SPECIFICATION

Operation temperature	-10~40°C
Operation humidity	≤85%RH
Overload alarm	100%FS+9d
Maximum safe load	150%FS
Limited overload	400%FS
Power supply	6V rechargeable Li-ion battery
